Slide 6: Eigenleistung

- 450-750 hours
- Internal valuation: 25-45 EUR/hour
- Approximate internal value: 11,250-33,750 EUR
- This is not an invoice.

Slide 7: 12-Month Conservative Plan

- Months 1-3: equipment, documentation, prototype stability
- Months 4-6: workflow, review, coaching
- Months 7-9: planning depth and validation
- Months 10-12: viability review and next decision

Slide 8: Support Needed Now

- Workstation / laptop and monitor
- Audio/MIDI basics and backup
- Software/cloud reserve
- Consulting/coaching and start phase support

Slide 9: Safety Boundaries

- No public sales flow
- No guaranteed income claim

- No fake customers
- No proprietary content copying
- Hardware export path remains blocked

Slide 10: Risk Reduction

- Conservative numbers
- Documented local status
- Clear blocked areas
- Review before expansion

Slide 11: Jobcenter Request

- Support request: 2,200-3,950 EUR
- Monthly operating plan: 75-210 EUR
- Purpose: make Selbststaendigkeit technically and economically viable

Slide 12: Conclusion

- UAOS is active, serious, and locally verified
- Support is needed before economic viability can be tested
- Anfangsumsatz: 0 EUR.
