Purpose

This local document is for private Jobcenter review. It describes UAOS as a local prototype and documentation evidence pack. It supports discussion of project direction, owner review, safety

planning, and next local steps.

Review Summary

UAOS has a local demo evidence pack with owner-facing guidance, selected neutral package review material, safety wording, and decision gates. The selected package remains `owner-neutral-003` for manual review. Compatibility remains unverified, and keyboard transfer remains blocked.

What Can Be Reviewed

- Local evidence pack overview.
- Jobcenter-facing safe summary.
- UI snapshot and selected package status as private evidence.
- Manual review checklist and scorecard.
- PDF creation approval gate record.
- Safety status showing no keyboard output, no deploy, and no payment flow.

What This Does Not Claim

- This is not a public launch.
- This is not a payment-enabled product.
- This is not a deployed service.
- This is not keyboard-native output.
- This is not a transfer to hardware.
- This is not a proprietary sample or library package.

Safe Next Action

Review this PDF manually as local private evidence. Stop before keyboard output.
